

Planning Your Summer?

Spend some time planning your future!

Take your pick of these Summer Educational Opportunities from PSRS/PEERS

Pre-Retirement Planning Seminars

Pre-Retirement Planning Seminars are geared to members who plan to retire within the next five years. All PSRS/PEERS members, as well as their guests, are welcome to attend.

At the seminar, you receive an estimate of monthly benefits given your projected retirement date. The estimate is reviewed in detail to provide you with a good understanding of your options. Other topics addressed include: the Partial Lump Sum Option; buying credit; financial protection for your family in the event of death; cost-of-living adjustments and post-retirement considerations. Register early – space is limited.
